

DPO SPECIALIZATION EXAM

POS Moor ATA OPERATION AJ/S/POS

KONGSBERG

COURSE DESCRIPTION

EXAM OBJECTIVES

This exam tests the skills and competence of a DPO against the requirements given in the competence standard DNV Notation AJ/S/POS.

The exam is a thorough test, covering the most important competences for a DPO, in compliance with relevant DNV competence standards. The test measures how well operation of equipment, duties and tasks are performed, all in compliance with relevant international, national and local regulations and requirements.

TARGET GROUP,

The exam and certification is aimed at individuals presently, or in the process of becoming, responsible for operating rig and/or vessels with position mooring systems.

ENTRY REQUIREMENTS

Relevant DP courses and practice/training onboard a DP vessel in order to cover the content of the competence standard. Highly recommended to prepare for exam by following one of the KM courses listed below:

- DNV DPO Re-certification preparatory course
- DPO Specialization Posmoor ATA
- K-Pos PM Operator Course - General (incl. remote)
