

ART OF ASSESSMENT

TRAIN THE SIMULATOR TRAINER AND ASSESSOR

KONGSBERG

COURSE DESCRIPTION

LEARNING OBJECTIVES

After having completed the training program the student should be trained and experienced for the particular types and levels of training and corresponding assessment of competence as specified in STCW regulation I/6 and section A-I/6 (IMO Model Course 6.10). The objective includes design of assessment, assessment briefing, monitoring, de-briefing and feedback, assessment methods and how to assess the whole process of training. In addition, this course would also assist in giving the prospective instructors/assessors an understanding into the psychology of learning in order to design and conduct competence-based training and assessment.

TARGET GROUP

Maritime instructors and Maritime Simulator Trainers and Assessors.

ENTRY REQUIREMENTS

To fully benefit from this course, the participants should have some experience in conducting training. The participants should have completed Training Course for Instructors based on IMO Model Course 6.09 or a similar programme.

CONTENT

Themes in the course are:

- The simulator instructor
- Conceptualizing a simulator training program
- Interpersonal and communication skills
- Conducting simulator exercises
- Assessment

LEARNING PROCESS

The course has a large practical component in which the participants implements the theoretical guidelines by planning, creating, executing and evaluating their own exercises. The experiential nature of the course being conducted largely using simulators provides the participants the opportunity to hone the necessary skills required to be an effective simulator instructor.

DURATION, 24 Hours

NO. OF PARTICIPANTS, Maximum 6

SPECIAL INFORMATION,

The course is Approved by The Norwegian Maritime Authority. NMA is ratified by IMO.

LANGUAGE, English if not otherwise agreed.

ASSESSMENT

Learning outcome will be assessed during and after training.

CERTIFICATE

Documentary evidence will be issued upon successful completion of the course.
